OFFICE OF THE DAILY APPEAL, I MEMPHIS, January 18, 1871. CHANGE.

It is one of the reassuring signs of the limes in commercial circles in Mamphis that not only the wholesale but the retail dealers are taking a deep interest in the maintenance of 'Change, and that all | 10-40 Bonds | Pacific Sixes | are uniting to give tone and character to Tennessee Bonds, old the conduct and operations of our Board Tennessee Bonds, new of Trade and Chamber of Commerces. In New York, January 18, 1:30 p.m.-The proportion to the imports and exports or market is doil, but the steadiness is well maintained. produce, we notice that the sales on Change bear a very fair proportion, and that from the first day of the reinanguration of daily sales that proportion has been sheadily and daily increasing. The relating grain dealers, manifesting a desire to the state of the petition, of which the following is a copy, proving medifications of Rules 3 and 7,

which we append:

and interesting place.

The following is the petition, which we understand will be presented and acted upon on Monday next, and we hope to the satisfaction of all concerned:

Mameria, January 17, 1871.

Whenhas, Under the existing rules and regulations of the Memphis Merchants Exchange there is ample cause for complaint and protestation on the part of the produce dealers of this city; and.

Whenhas, it behooves us, in view of the premises, to suggest something in Good Middlings.

Whenhas, it behooves us, in view of the premises, to suggest something in Good Middlings.

Whenhas, it behooves us, in view of the premises, to suggest something in Good Middlings. protective of our licensed business; there-

Resolved, That we, the principal feed desires of this city, memorialus the Stock, September 1, 1870... Chamber of Commerce and Merchants' Rec'd since last statement 2,234 of allows as will amply guarantee our turadification the amendatory resolutions Stock at noon this day

practication the amendments of the following:

Exercises, 1. That resolutions, adopted the accompanying resolutions, adopted by the merchants of this city, be so mended as to read: "That no person who is not a member of the Chamber of Cammeires or Board of Trade shall have the privilege of buying or selling on Estimated per wagons.

Estimated per wagons.

conversed hay, corn, outs, bran and shorts, not to retail any article of produce specified on "Change or anywhere cless nor break a few cromsignment unless in favor of a returbar feet dealer, but any receiver of feed may self-before or after "Change without breaking round tota; and that any needs of the toregoing resolutions shall be simple ermse for ruling him from the Equal". That the suggestions embodied in the foregoing resolutions have themselves, so far as relates to the receivers of key, corn, cats, bran and shorts,

Naw Yosk, January 18, 10 a.m.—Ordiceivers of key, corn, cats, bran and shorts,

OUR STATE DEST. The Nashville Busser, in its issue of Sunday, contains a two column and dou-ble leaded sensational editorial upon the public debt of our State, which would of anything was offered on 'Change. We have been more serviceable had it been sgain record no arrivals of steamers from the West, and consequently a very bare more concise and less elaborate. The market in all leading commodities.

Total Fig. 500,000 domen.
The first lives bears interest at the rate of the per cent. per annum, and the latter present for payment and also accumulates to the per cent.

and pressed in payment of taxes we have also Bunk of Tennessee notes, \$1,250,600.

This is the Chenckl condition of the State of Tennessee, as near as we can come at factory, 15%(\$1614c; English Dairy, 15%)

falling due up to January 1, 1872, and the falling indehtedness of \$5,500,000, we would fund with the consent of the hold-spacebay and consenting they would mand units good. We quote: \$668.80 for mand quitte good. We quote: \$56,8 50 for supers to save, we quote: \$56,8 50 for supers to save, we would not pay. We would, with a view to the utilizate liquidation of the whole delit, continue the tax of \$1 on the \$100 in 1872, using whenever surplus remained after expense and interest accounts were asthired for the establishment of a sinking foul, to be managed by three trustions, to be alected every two years by the Landstone Managed by three trustians. In the alected every two years by the Landstone Managed by three trustians. payment by delir-quest railroads, and in that way reduce the bonded debt by the retiracy of the bonds issued for the benefit of each railroads. More than one dollar on the hundred we know our people cannot stand, and they could not possibly hear up under that, but that the honor of the State is in jeoparity, and that private credit is likely to suffer as the public credit is decried and goes down. The Basser's suggestion, as we understand it to mean a texallen that will used the interest debt, expenses and Tonnessee money is eat of the question. We must go elewiy and pay as quickly as we can consistent with a due regard to the means and shilling of the people. There is such a thing possible as breaking the people down and driving them out of the State by high taxative. This is as much to be feared as the non-payment of interest and a discredit that will prevent immigrants.

ernment securities are dull, but steady in tone. Storling steady at 100%. Gold, ear rying, 7 per cent. There is no importan change in the money market.

Bonds of 1881

support Change in a way that will inure creditably and profitably to them and those who deal wholesale, have signed a great as the control of the control of

COTTON.

2. That no person who is not a regular member of the Chamber, shall have the privilege of selling on 'Change, but any one may buy on 'Change, but any one may buy on 'Change.

7. That members hereof promise not to retail grain or general produce on the love, or is their respective offices, when they can conveniently avoid it, but will endeavor to make 'Change a live, useful and interesting place.

COTTON.

The market was very dull to day, consequent upon the variety of the market was very fithe new from New York, which continued to be of a very weak description all day. The sales were 300 bales at irregular prices. Some soliers were very firm; others as weak as water, Good cottons were a prop and a stay. Those who had taken fell so. Low grades were a drag. Good Ordinary sold at 13c. The demand was confined to bright styles, and even for these there was not more than the

FOR SALE. No. 85, R. D. Second Chancery Court-Thomas G. Neal et al. vs. M. J. H. L. Winn et al.

CLEANSING, PUBLIFYING, and MEALING Agent is one of the most remarkable results of modern medical research. During the late civil war it was extensively used in the Hospitals, and was found to be not only a thorough disin-fectant, but also the most won-derful and speedy HEALIS-! REMEDY ever known. WIt is now presented in a scientific combination with other soothing and healing agencies, in the form of a SALVE; and, having been already used in numberiess cases with most suffisfactory and ben-eficial results, we have no hesitution in offering it to the pub-lic as the most certain, rapid, and effectual remedy for all Sores and Ulcers, no matter of how long standing, for Burns, Cuts, Wounds, and every ARRASION of SKIN or FLESH, In Bankruptcy at Memphis, Ten and for Skin diseases generally. Sold by all Druggists. Price 25 cents. JOHN F. HENRY, Sole Prop'r,
